## DIRECTIONS FOR OPOSSUM CREEK RETREAT

About 1/2 mile north of the New River Gorge Bridge on US Rt. 19 is Ames Heights Road. Take Ames Heights Road about 7/10 of a mile to a fork. Take the right branch (This is Opossum Creek Road) and go 1.5 miles to Graydon Baptist Church. [At this point there are two sets of directions, one for The Farm House and the other for The Meadows and The Cabins.]

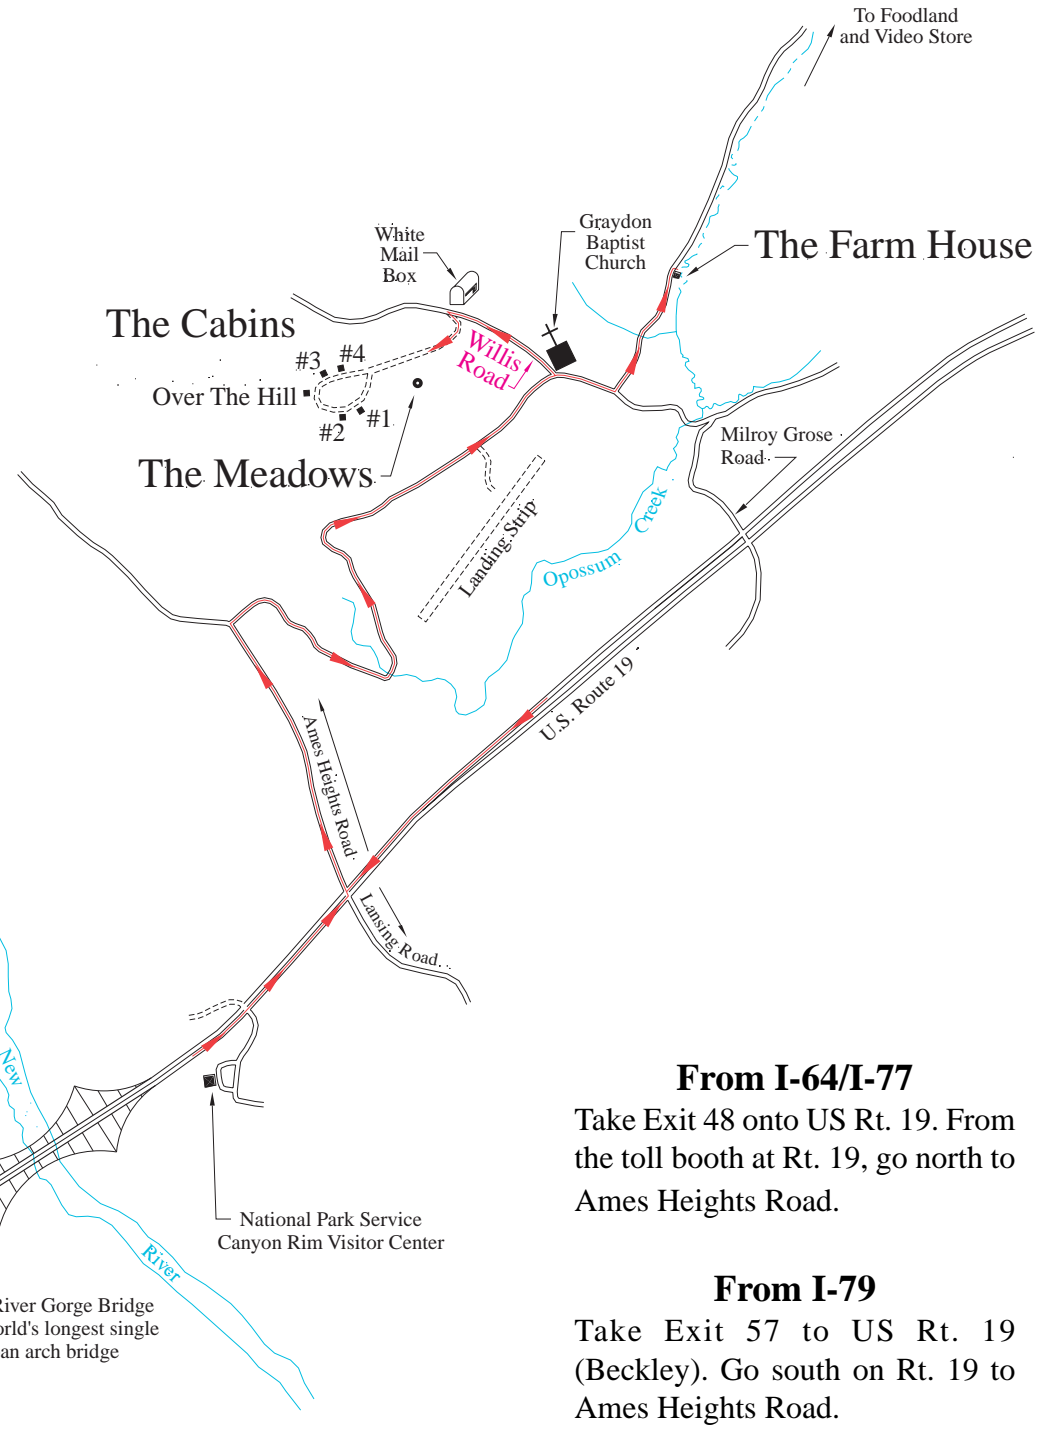

### To arrive at The Meadows and The Cabins:

Turn left just before Graydon Baptist Church. Go 3/10 of a mile. You will see a White mail box on your right and our entrance on the left. Follow the dirt road through the woods. Welcome and enjoy.

### To arrive at the FARM HOUSE:

From the Church the road turns right. Follow it for 2/10 of a mile and turn left on the paved road, which is in front of a two-story abandoned corner store. Continue for 3/10 of a mile. The Farm House - a two-story house with wood siding - is on the right. Welcome and enjoy.
