Zoweh Ministry

Life, Heart and Purpose. Three distinctive words to describe the vision of our ministry. On a day to day basis our mission is *to help people identify, understand, and live what God has specifically called them to be and do in their lives.* An accurate sense of **identity**, a well ordered **heart**, and overriding **purpose** are all available from the one who meets our deepest needs, God. Through Christ's death, resurrection and ascension we are given freedom and life!

Zoweh Ministries operates like a Mash Unit and an Outpost in this greatest of love stories set in the midst of the greatest of battles. People need a place to heal up, get cared for and feel safe. They also need good information, tools, supplies and equipment. The Thompsons' have had their hearts and lives profoundly impacted by God and extend their lives as a resource to others seeking direction, purpose, and meaning. Through different initiatives such as large conference and retreat events, small group studies, one-on-one discipleship and counseling, Michael and Robin look and pray for opportunities to love, encourage, teach and guide in the fight for the hearts of others.
